

Basic Detail Report

Octave-tuned harmonica, C

Date

1924-1930 ca.

Primary Maker

Matthias Hohner, Inc.

Description

Hohner's Marine Orchestra No. 122 harmonica. Two cup-shaped bells, of different tones, are attached to the comb. Each bell is equipped with a leaf spring lever. To facilitate holding the harmonica, the wooden comb is extended and embellished with scrolling vines, leaves and flowers. Original box. Earlier versions of this model have tulip-shaped bells.

Dimensions

6-5/8 x 2-1/8 inches See Harmonica Description sheet.
