

Basic Detail Report

Piano accordion

Date

2003

Primary Maker

Beschäftigungsgesellschaft Klingenthal mbH

Description

72 bass buttons, 34 keys, 5 switches. Plastic casing with gold-speckle finish. 18-fold bellows with white lining and

black edging, especially on front where a white diamond-shaped pattern has been applied. Two black leather straps snap to body of accordion, fastening the bellows shut when not in use. Padded black leather hand strap on bass side. Small white button on bass side, which releases air from wind chamber when depressed. Four rubber feet on bass side.
