

## Clarinet (bottom joint only)

### Date

1761-1774 ca.

### Primary Maker

Johann Gottfried Zencker

### Description

Boxwood. Brass keys with square, flat covers. Other than the record of his birth (1737), only a handful of documents survive that provide information about Johann Gottfried Zencker. In a 1761 marriage document, he is described as a musical instrument maker, which occurs again in a Leipzig city directory in 1764.

### Dimensions

One-piece bottom joint and bell: 210 mm
