

Didgeridoo

Date

1995-1997 ca.

Description

Eucalyptus tree trunk, hollowed out by termites, ochre painting with totemic patterns. Short model. The ochre decoration with totemic patterns hints at a manufacture in north Arnhem Land, where rigid rules regulate the use of totemic designs.

Dimensions

Height and tube length: ca. 1290 mm Bore (internal diameter blowing end, distal end): ca. 33-34 mm, 55-62 mm
