

## Pitch pipe, C, A

### Date

1900 ca.

### Description

A most unusual pitch pipe in the form of miniature brass binoculars. The ends of the "binoculars" are decoratively stamped. Played by blowing through the "eyepieces." On the side of one tube is a ring to attach a chain or cord.

### Dimensions

Length: 27.5 mm Width: 27.5 mm Height: 13 mm
