

Basic Detail Report

Trumpet

Date

1978

Primary Maker

Domenick Calicchio

Description

Non-playable trumpet built for use as a prop in the Bee Gee's movie "Sgt. Pepper's Lonely Hearts Club Band" (1978). Heart-shaped with the letters "SP" appearing in the valve tubing configuration just below three piston valves. In the film, the instrument is referred to as a cornet. Silver-plated brass with three piston valves.
